I would like:

An estimate of my pension benefit at my normal retirement age.
This is a one page snapshot of your benefit and can be provided at any time, even if your normal retirement age is years away.

OR

A detailed quotation of my pension options at: current date / (insert date)
This is a detailed quotation that includes all of the forms that we need you to complete to start paying your pension. Upon written request we will provide you with one detailed quotation per year free of charge.

We will write to you with the details of your benefit in the near future.
